Symbols and Abbreviations	v
Foreword	vii
1. Introduction to Age Progression	1
Basic Observations	2
Prognosis and Psychological Problems	5
Astrological prediction	5
Differences between age progression and other progression methods	7
The significance of age levels in prediction	9
Life cycles versus “magnifier effects”	10
The compulsion to fulfillment: dangers of prognosis	10
Freedom of will and choice	12
Testing the self: the “I” as a reference point for the will function	13
Self-determination and the individuation process	14
Responsibility, ethics, and free will	14
Structure and Technique of Age Progression	15
Age progression and the Koch house system	15
The age point and its direction	16
The effects of age progression	17
The cyclic passage of the age point through the houses	18
Six and seven year cycles	19
Age progression and cosmic cycles	20
The horoscope as life clock	23
Calculation of the age point	24
Age progression as a method for rectification	28
The Function of the Life Clock	28
Psychological effects and the advantages of age progression	28
Process of recognition	29
The age point: focus of consciousness	30
The age point and the intensity curve	33
The low point	33
The balance point	34
2. Application of Age Progression	35
Rules for the Application of the Age Point	36
The first steps	36
Extent of age point effectiveness	37
Further rules for interpretation	41
Duration of low point effect	42
Problem positions	43
Five important factors in the evaluation of age progression.	43
The Course of Life through the Twelve Houses	44
The houses	44
Horoscope showing the 36 phases of life—Keywords	46
Thirty-six age levels and crisis points	49

Age Point Progression Through the Signs of the Zodiac	61
Differentiated development through the signs	61
Sign changes	62
Quadruplicities (crosses) and triplicities (elements)	62
Age point and elements: fire, earth, air, and water	64
Age point in the crosses: cardinal, fixed and mutable signs	67
3. Life Phases and Cycles	
Rhythms in Nature and Life	69
The rhythms around us	70
Sequence of developmental stages	71
Individual rhythms	71
Life cycles in the horoscope	72
Division of the Horoscope into Different Life Phases	74
Division by two First half of life: 0-36 years	75
Second half of life: 36-72 years	76
Left and right halves of the horoscope	77
Division by Four	78
The seasons and life phases	78
Polarity and individuation processes	79
Becoming whole—Finding the center	80
Developmental thrusts at the angles and expansion zones	81
Phases of stabilization: the age point in the fixed houses	83
The Four Life Phases Development of Form	88
The different levels in the four quadrants	88
”I”-formation (0-18)	89
Social development (18-36)	90
Conscious contact phase (36-54)	91
Self-fulfillment (54-72)	92
Three phases in each quadrant	94
The Three-Part Division—Development of Personality	95
”P” development and maturation	95
The four elements	96
Three phases of personality development (Sun, Moon, Saturn periods)	97
Recovery needs	98
The first third of life	98
The second third of life	102
The last third of life	105
The Ascendant: focus of individual development	106
Life phases and the three primary colors	109
Division by Six—Social Processes	110
Phase 1: being oneself (0-12 years)	111
Phase 2: belonging (12-24 years)	112
Phase 3: taking part (24-36 years)	112
Phase 4: voicing (36-48 years)	113
Phase 5: leading (49-60 years)	113
Phase 6: advising (60-72 years)	114

Turning points at the twelve house cusps	114
The six manifestation impulses	115
The six phases of crisis	115

4. Rules of Interpretation **117**

High and Low Points in Age Progression	118
Three phases in each house	119
Advance influence of the cusps	121
Advance influence of the planets upon sign entry	122
Signs without Low Points	123
Signs with two house cusps	124
Intercepted signs	125
Passage of AP through an empty space	126
Aspect gaps/ turning points	127
Change of aspect configurations	130
Passage of AP through heavily tenanted houses	134
AP Cycles in tandem with transiting and progressed planets	136

5. Age Point Aspects **143**

AP activity and its evaluation	144
The nature of the planets	150
Aspects by color	152
Triggering a configuration	152
Aspect interpretation in three stages	153
Primary aspects of the AP: conjunctions/oppositions	155
Beginning of the whole cycle	157
The two half-cycles	158
General rules governing the sequence of aspects	162
Primary aspects in childhood	163
Beginning of the AP cycle in the four quadrants	164
Three types of aspect: red/ blue/ green	168

Age-Point Aspects to the Ten Planets and to the Lunar Nodes **175**

Age-Point aspects to the three personality planets	176
Sun: AP transit (conjunction)/ house position/ aspects and aspect-cycle	176
Moon: transit (conjunction)/ house position/ aspects and aspect-cycle	178
Green aspects to the Moon/ self esteem/ emotional body/ Moon ego	180
Saturn: transit (conjunction)/ house position/ aspects and aspect-cycle	182
Mercury, Mars, Venus, Jupiter: AP transits and aspect cycles	185
Uranus, Neptune, Pluto: AP transits and aspect cycles	189
The Lunar Nodes: AP transits and aspect cycles	193

6. Age Progression in Counseling **195**

The significance of the Lunar Node	197
The three personality planets: Sun, Moon, and Saturn	198
Age Progression and accurate timing	200
The impressions of early childhood	202
An example from consulting work	205
Five examples from our case books	207

7. Life's Time Table: The Age Point in the Twelve Houses	217
Age Point in the 1st House (Aries) Age 0-6	218
Age Point in the 2nd House (Taurus) Age 6-12	220
Age Point in the 3rd House (Gemini) Age 12-18	222
Age Point in the 4th House (Cancer) Age 18-24	225
Age Point in the 5th House (Leo) Age 24-30	227
Age Point in the 6th House (Virgo) Age 30-36	230
Age Point in the 7th House (Libra) Age 36-42	232
Age Point in the 8th House (Scorpio) Age 42-48	235
Age Point in the 9th House (Sagittarius) Age 48-54	238
Age Point in the 10th House (Capricorn) Age 54-60	241
Age Point in the 11th House (Aquarius) Age 60-66	243
Age Point in the 12th House (Pisces) Age 66-72	246
Return of the Age Point to the First Three Houses	248
Age Point in the 1st House Age 72-78	249
Age Point in the 2nd House Age 78-84	251
Age Point in the 3rd House Age 84-90	254
8. Example Horoscopes	257
Age Progression in the Horoscope of C. G. Jung	258
Age Progression in the Horoscope of Jimmy Carter	285
Further Example Horoscopes	293
Appendix: The Huber Method:	
A Short Introduction to Astrological Psychology	301
Bibliography	313
Index	314
Contacts and Resources	318
